

Très bien ! Bien. A revoir.

Diagram illustrating the addition of two numbers, 1234 and 2345, with a focus on the tens place. The numbers are written in a grid with colored boxes. The tens place of the first number is 3 (green) and the tens place of the second number is 4 (red). The sum of these two digits is 7, which is shown in the tens place of the result. The result is 3579, with the tens digit 7 in green and the units digit 9 in blue.

		8		,	0	7		
+	2	0	1	,			0	
+			6	,	6	7	4	
				1	,	8	0	9

Très bien ! Bien. A revoir.

c) $0,4 + \quad = 1$

f) $8,1 + \quad = 10$

i) $0,75 + \quad = 1$

l) $7,04 + \quad = 10$

Très bien ! Bien. A revoir.

[illegible]

Très bien ! Bien. A revoir.

c) $12,4 + 0,78 =$ _____

f) $3,09 + 0,54 =$

i) $9,9 + 1,11 =$ _____
